

TRENTHAM

Reserve
CHARDONNAY
TUMBARUMBA
2017

This 2017 Tumbarumba Chardonnay is part of our carefully selected Reserve range that aims to epitomise the best these regions have to offer.

The Wine

Light straw green colour with lifted white peach fruit supported by toasted oak nuances. Persistent clean flavours show an ideal balance of fruit weight and cool climate crispness. A refined, elegant Chardonnay.

The Vineyard

The grapes were grown on a high altitude, eastern-sloping vineyard at the base of the Snowy Mountains National Park. A cool climate region highly regarded for producing premium Chardonnay.

The Winemaking

Harvested in mid-March the fruit was of exceptional quality with ideal sugar acid balance and elegant stone fruit flavour. The fruit was hand picked and whole bunch pressed into stainless steel tanks for the start of fermentation before transferring to French oak barrels for a further six months before blending and bottling.

Technical Information

Varietal/s:	Chardonnay
Region:	Tumbarumba
Alcohol:	13.0%
Acid:	6.0 g/l
pH:	3.33
