TRENTHAM

2018 PINOT GRIGIO

We have produced a select range of wines from Italian varieties which have been grown on the Estate – these wines celebrate our Irish and Italian heritage influencing our grape growing and winemaking – celebrating a “Love for Life”.

THE GRAPES

The grape variety is closely related to Pinot Noir and is known as Pinot Grigio in Italy or Pinot Gris in France. The grapes are pink to light purple in colour and are harvested at different ripeness levels depending on the wine style being made. Grapes are normally picked earlier for the Grigio style.

THE VINTAGE

Warm, dry weather during the 2018 harvest restricted our crop levels and helped to produce exceptional fruit quality with plenty of aromatics and flavour. Lower rain levels during the growing season translated into smaller berries packing their punch, making our winemakers very happy!

THE WINEMAKING

The grapes were harvested in late February during the coolest part of the day to protect the freshly picked fruit then swiftly transported to the winery where it is crushed, pressed and clarified prior to fermentation. Fermentation occurred over a ten-day period with a specially selected yeast strain. Post fermentation, the wine was stabilised and clarified prior to bottling.

THE WINE

A delicate white wine displaying characters of lemon zest, green apple and pear. This makes an ideal wine to enjoy chilled on a hot day.

THE FOOD

A great food wine that goes well with seafood, sushi or poultry.

ANALYSIS

Variety:	Pinot Grigio
Region:	Murray Darling
Alcohol:	12.0%
Acid:	5.9 g/l
pH:	3.35
Sweetness:	Dry
