CABERNET SAUVIGNON

COONAWARRA
2018

This 2018 Coonawarra Cabernet Sauvignon is part of our carefully selected Family Reserve range that aims to epitomise the best these regions have to offer.

The Wine

The wine shows vibrant red-purple colour with lifted violet and mint aromas. The taste has great length with balanced cassis fruit and dark chocolate.

The Vineyard

Cabernet Sauvignon vines are perfectly suited to the Coonawarra region, where a magical combination of the terra rossa soil and cool maritime climate produce very high quality grapes. The ripening period is cool and the grapes ripen slowly, retaining flavour and natural acid. The resulting wine is testament to the fruit quality, world class Cabernet Sauvignon with finesse and great ageing potential.

The Winemaking

Low rainfall and a warm growing season produced ripe fruit full of flavour at 13.2° baume. The grapes were crushed and fermented to dryness then pressed and matured in oak for 12 months before blending and bottling.

Technical Information

Varietal/s:	Cabernet Sauvignon
Region:	Coonawarra
Alcohol:	13.5%
Acid:	6.2 g/l
pH:	3.56
