Cellar Reserve

2019 GREAT WESTERN SHIRAZ

The Grapes

This Shiraz has been sourced from a single vineyard from our friends in the Great Western region of Victoria.

The Harvest

The 2019 growing season was one of the hottest and driest on record; short spells of rain helped things stay on track, then a cool relief in March slowed down ripening of the Shiraz. Berries were small and super concentrated.

The Winemaking

The fruit was crushed to tank for fermentation, left on skins for a total of 10-12 days before being pressed. Gentle pump overs throughout ferment captured the amazing colour, tannins and fruit aromatics from the luscious small berries. The wine then spent 12 months in oak before being blended and bottled. .

The Wine

A splendid dark purple with generous perfumes and concentration, this flavoursome, powerful treat has a very well-balanced mouthfeel. A very classic, full and bright Shiraz with subtle minty hints of the unmistakable Great Western, this wine will cellar extremely well and be even more delicious after a few years.

With Food

Enjoy with the classic Roast Beef Wellington, kangaroo steak or seared venison.

The Cellar

A wine that will age well; it should cellar with great complexity for 10-15 years.

Technical Information

Alcohol:	14.5%
Acid:	6.3 g/l
pH:	3.68
Sweetness:	Dry
