## CHARDONNAY 2024

This Adelaide Hills Chardonnay is part of our carefully selected Reserve range that aims to epitomise the best these regions have to offer.

#### THE WINE

Light straw green colour with lifted white peach fruit supported by toasted oak nuances. Persistent clean flavours show an ideal balance of fruit weight and cool climate crispness. A refined, elegant Chardonnay from beautiful fruit supported by first class French oak aging.

#### THE VINEYARD

The grapes were from a renowned vineyard near Forreton in the Gumeracha Valley, which is known for producing some of the best Chardonnay grapes in Australia.

#### THE WINEMAKING

Harvested in mid-March the fruit was of exceptional quality with ideal sugar acid balance and elegant stone fruit flavour. The fruit was early morning harvested, gently pressed and the juice cold fermented; initially in stainless steel tanks before transferring to French oak puncheons. Lees stirring and barrel aging has added to the wine's finesse and complexity. After 8 months in barrels the wine was Estate bottled.
