ESTATE GROWN

PINOT GRIS 2021

INSPIRED BY OUR SURROUNDINGS WE REFLECT ON THE ESSENTIAL NATURE OF THE MURRAY DARLING TO CREATE WINES OF DISTINCTION AND SUSTAINABILITY.

THE GRAPES

The grape variety is a relative of Pinot Noir and known as Pinot Grigio in Italy and Pinot Gris in France. It can be made into wines of varied styles. The Gris style is generally riper, richer and a more generous style than the Grigio style of Italy. These grapes were picked at full ripeness at the end of January and into early February, yielding intense flavour and texture.

THE VINTAGE

2021 has been one of the best vintages we've had with very mild weather, little rain and average to good crops, and the wines produced from it look great. The fruit flavours are beautiful and intense with the season bringing prolific dark, dense colours to the reds. The overall season has offered splendid results in the tank and barrel. A very exciting harvest!

THE WINEMAKING

Once harvested, the fruit was quickly crushed and lightly pressed to avoid too much colour pick-up from the coloured skins. Several juice fractions were cold settled and racked, and kept individual for fermentation. The ferment was carried out with a variety of selected yeasts. Prior to bottling the separate parcels were carefully blended to capture the purity and style intended.

THE WINE

Pale green in colour with floral aromas of rosehip and green apple; flavours of ripe nashi pear with splendid length and flawless balance. Finishes with a hint of sweetness. Yum!

THE FOOD

Enjoy with fish & chips, spicy Asian dishes or some octopus straight off the barbecue.

ANALYSIS

Varietal:	Pinot Gris
Alcohol:	12.5%
Acid:	5.9 g/l
pH:	3.4
Sweetness:	Dry
